Looking for the good life? You've found it!

Nicollet is a small community of approximately 1000 people located in South Central Minnesota. The town is a product of its surroundings – some of the richest farm land in the world. Each year, farmers who till the soil produce a bumper crop, and the town serves as an agribusiness center for the area's bounty. Nicollet also reflects the character of the traditional family farm – people working together, proud of their independence and always ready to extend a helping hand. Nicollet may be small, but you'll find it has much to offer. Whether you are just passing through or putting down roots, we're glad you're here!

A Healthy Local Economy

Nicollet's thriving, well-balanced business community provides a wide variety of goods, services and employment opportunities. Area elementary and secondary schools also provide careers for teachers, administrators and support personnel.

BUSINESS DIVERSITY

- Agribusiness
- Manufacturing
- Construction
- Retail
- Professional and consumer services

Please visit our website at www.nicollet.org for a complete listing of current Nicollet Area Chamber of Commerce members.

Location–Housing–Utilities

Nicollet offers the best of both worlds – small town living and quick access to quality medical care, national retailers and other specialized services. For families working in more than one of the surrounding larger cities, Nicollet's central location offers short drive times, affordable housing and a high quality of life.

Nicollet's core residential area of well-maintained older homes is expanding with new housing developments and available building sites on all sides of town. There are also several multi-unit apartment buildings along with a mobile home park.

The city is served by major utility companies and has access to advanced technologies for high-speed internet, communications and home entertainment.

Community Involvement

Nicollet Volunteer Fire and Rescue: Nicollet takes pride in the rapid response and quality service provided by its volunteer fire department. The citizens who make up this elite group exemplify the spirit of giving by devoting their time to help others in time of need.

Service Clubs: The American Legion, Lions Club, Nicollet Conservation Club and other local organizations provide opportunities for people to contribute both inside and outside the community.

Chamber of Commerce: The chamber promotes local business and, with the support of its members, sponsors a number of local events.

Schools and Churches

Nicollet Public School is a modern Pre-K through 12 facility built in 1987. A major expansion in 2005 added an Early Childhood Center and the Nicollet Community Center that includes a gymnasium, fitness center and theatre/auditorium. The school emphasizes new technology and scores above the state average in academic achievement.

Additionally, the public school aids the transition to higher education. It provides community education courses and a 2-year college program with over 45 semester credits of general education. 1 state university, 3 colleges, 1 technical college and multiple business and trade schools are located within 15 minutes of Nicollet.

Nicollet Public School #507

Top left – High School Computer Lab. Top right – Early Childhood Center features infant, toddler and preschool rooms. Bottom left – Fitness Center offers public access to exercise equipment, walking track and gym. Bottom right – Public school facilities enable Nicollet to host a wide variety of sporting, entertainment and cultural events.

Nicollet's city and rural churches serve the spiritual needs of its people and are an important part of the town's social structure. The two area Lutheran churches also operate Pre-K through 8 programs of parochial education.

Events and Recreation

Local organizations host dinners, socials, dances and seasonal activities throughout the year. For a current schedule of events, see the Chamber of Commerce insert or go to our website at www.nicollet.org.

School and community sporting events provide year-round fun and excitement for fans and participants alike.

Hunters and naturalists are drawn to Nicollet for its proximity to Swan Lake. Recognized for its wide diversity of waterfowl, Swan Lake is the largest shallow prairie "pothole" marsh in the continental U.S., boasting 76 miles of shoreline.

The area also offers excellent snowmobile trails and is just minutes away from several beautiful state parks.
